# Online Tution Vs Regular Tution

Features	Online Tution	Regular Tution
Availability	From Home	Need to go to out side
Teaching Format	Visualisation	Traditional Chalk and Talk
Revision	Revise topics multiple times	Only depend on Class notes
Improve weak topics	Improvement by watching classes multiple times	Every topic is taught only once. No personalised revision
Time Utilisation	Learn from Home. Comfort and Safety	Need to travel. Waste of Time and Energy

The background features a dark blue field with a pattern of thin, light blue lines forming a grid of squares that recede into the distance, creating a 3D perspective effect. Scattered throughout are several circles of varying sizes, each with a vertical gradient from orange at the top to purple at the bottom. The largest circles are in the top right and bottom left corners, while smaller ones are positioned in the upper left, middle right, and lower left areas.
